Free rabies vaccinations for dogs and cats owned by Gloucester County residents may be obtained at this time.

West Deptford dog owners may purchase a 2018 Dog License at the clinic. Cost of dog license is \$16.00 if the dog has not been neutered or spayed; \$10.00 if proof of neutering/spaying is provided. If medical records are not available, a statement signed by the owner certifying the dog has been sterilized will be accepted as proof.

**Dogs vaccinated within the last two years with the three-year serum should not be vaccinated at this clinic.**

New Jersey Public Health Laws and Township Ordinance require that all dogs be licensed yearly. Certification must be shown that the dog has been inoculated against rabies before a license can be issued. Licenses for inoculated dogs may be obtained weekdays, 8:30 a.m. – 4:30 p.m., or Thursday evenings, 4:30– 7:30 p.m. at the West Deptford Municipal Building, 400 Crown Point Road, West Deptford.

**INCIDENCE OF RABIES IS INCREASING IN THE STATE OF NEW JERSEY. PLEASE HAVE YOUR PETS VACCINATED.**
