

WEST DEPTFORD TOWNSHIP

2016 - 2017 CIVIC & MUNICIPAL CALENDAR

WEST DEPTFORD TOWNSHIP COMMITTEE

Township Committee

The Township Committee is comprised of five members, the Mayor and four committee persons, each of whom serves a term of three years. At the reorganization meeting in January, the Committee selects one of its own to serve as Mayor. The Committee forms the legislative branch of the Township government, developing and adopting ordinances which become the laws of our municipality.

The Committee exercises fiscal control of the community by adopting an annual budget.

The Committee holds regular meetings on the first and third Wednesday of each month, unless otherwise stated.

All meetings are held in the Municipal Building, 400 Crown Point Road, West Deptford, at 7:00 P.M.

The public is encouraged to attend. Citizens may contact their elected officials through the Township Administrator's Office at 856-845-4004, ext. 130.

Mayor's Message

We are proud to offer the Township calendar again this year. I hope you find this to be a valuable resource for Township information such as Township business hours, modified holiday waste collection schedules, and contact information. Please take a moment to look through the calendar taking note of the important dates and fun activities that are planned for the upcoming year.

In addition to the recycling fun facts throughout the calendar that we started last year, this year we have included a removable recycling sheet for you to keep handy throughout the year to assist you with any questions you may have about our recycling program.

The calendar also provides contacts for various civic organizations within the Township. These groups are a strong component of West Deptford Township being a great place to call home. Their dedication and commitment help meet the needs and demands of our residents. I encourage everyone to become involved in one of our many civic and recreational organizations.

It's an honor to serve you, the residents of West Deptford Township, and I look forward to a bright future as the Township progresses forward. I will continue to strive for a strong community relationship with resident involvement. If you have any questions or concerns, please feel free to contact me or the other members of the Township Committee at 856-845-4004 extension 130.

Denice DiCarlo, Mayor

WEST DEPTFORD TOWNSHIP MUNICIPAL SERVICES

Water and Sewer Senior Citizen Discounts

In an effort to ease financial hardships experienced by senior citizens on fixed incomes, the Township Committee is granting a 10% discount on water and sewer bills to all qualifying senior citizens. Contact the Water and Sewer Department at **856-845-4004, ext. 104** to determine if you qualify for this deduction.

Senior Citizen Nutrition Center

The Thorofare Fire Hall houses a Senior Citizen Nutrition Center sponsored by the Gloucester County Board of Chosen Freeholders and supported by the West Deptford Township Committee. Participants must be at least 60 years of age and a resident of Gloucester County. Meals are served weekdays at 11:30 A.M. and a daily donation of \$1.25 is accepted. Pre-registration for this program is required. For further information, contact the Gloucester County Division of Senior Services at **856-384-6900**.

Wheelchairs and Walkers Available for Use by Township Residents

Wheelchairs, walkers, and other medical apparatus have been donated to the Township and may be borrowed for use by Township residents. Please call the RiverWinds Community Center at **856-251-0990** to take advantage of this service.

PROPERTY TAXES

Tax Due Dates 2/1, 5/1, 8/1, 11/1

Tax Deduction Programs Administered through the State of New Jersey.

For applications and eligibility information, call:

Homestead Benefit Credit: 1-888-238-1233
Property Tax Reimbursement: 1-800-882-6597

Tax Deduction Programs Administered through the Gloucester County Office of Assessments.

For applications and eligibility information, call:

Senior Citizens & Disabled Persons: 1-856-307-6445
Veteran Deduction/Exemption: 1-856-307-6445

Applications are available at the
West Deptford Tax Collector's Office
856-845-4004 x103

Shuttle Bus

West Deptford Township operates a shuttle bus for Township residents. On Mondays and Fridays, trips are made to local shopping centers, and Wednesdays are reserved for trips to area malls. Special services for wheelchair-bound residents are available. Contact the Bus Driver at **856-371-3279** to schedule a pick-up 24 hours in advance. For further information on public transportation services, contact the Gloucester County Department of Human Resources, Office of Special Transportation, at **856-686-8350**.

Sewer Problems

If you experience a problem with your sewer, please contact Township personnel first before calling a plumber. We will respond immediately and repair the problem if it is in the Township's sewer line. If the problem is your responsibility, we will advise you to contact a plumber. Therefore, it is important that you contact the Sewer Department first to avoid any unnecessary expense. If you do have a sewer problem, stop using water and your toilet until the problem is resolved so that you can avoid any flooding damage to your house. During business hours, call **856-845-4004, ext. 127**. The emergency telephone number for nights and weekends is **856-845-2300**.

Call Before You Dig!

Residents who are having any digging or drilling done on their property should first contact the New Jersey One Call System at **811** or **1-800-272-1000** at least 72 hours in advance. One Call will notify all utility companies who will come to the site and mark out their lines. This will protect you from the risk of rupturing underground utility lines. There is no charge for this service.

Tax Deductions

If you are a senior citizen, veteran, and/or disabled person, you may be eligible for a deduction on your property taxes. Contact the Gloucester County Office of Assessment at **856-307-6445**.

Dog Licensing

An annual license is required for any dog over the age of six months. Licenses are renewable each January. A fee of \$10.00 is charged for any dog which has been neutered or spayed; the charge is \$16.00 if the dog has not been neutered or spayed. Proof of rabies vaccination and spaying/neutering is required. Licenses may be purchased at the cashier's window in the Municipal Building from 8:30 A.M. to 4:30 P.M. weekdays. A free rabies clinic for dogs and cats is held in the spring of each year. Questions? Call **856-845-4004 ext. 105**.

Construction Permits

Township residents are reminded to call the Construction Office at **856-845-4004, ext 121** before beginning any home repair or construction projects to determine what building, electrical or plumbing permits may be required. The proper permit serves as protection against contractors who may not follow mandated laws promulgated for consumer protection and is also important for insurance purposes. For your protection, before hiring a contractor, make sure the business is certified by the State of New Jersey. Please call first...it could save you money!

Bicycle Registration

Township residents are encouraged to register their bicycles with the Police Department. This will help the police identify your bicycle if it is stolen and facilitate its return to you if recovered. Registration forms, available at the Police Department, are to include serial number and description of the bicycle. Questions regarding this program may be directed to the Police Department at **856-853-4599, ext 153**.

Swimming Pools

A permit is required for any structure intended for swimming or recreational bathing that contains water over 24 inches (610 mm) deep. This includes in-ground, above-ground and on-ground swimming pools, hot tubs and spas. Please stop in the Construction Office for an information booklet on pool requirements or call **856-845-4004 ext. 121**.

WEST DEPTFORD TOWNSHIP MATERIAL DISPOSAL GUIDELINES

Trash Collection

- Trash containers shall be metal or plastic, water tight, **have handles**, not exceed 32 gallons, and weigh no more than 50 pounds when filled. Plastic bags may be used in place of containers, but must not be overloaded or ruptured. Metal drums and large, wheeled totes are not acceptable. Five gallon buckets are not considered a proper container for trash and/or recyclables. It is not considered a reusable container and will be disposed of. Please secure trash from animals.
- All trash must be placed at the curb before 6:00 A.M. on trash day, but not before 6:00 P.M. on the day prior to collection. After collection, any empty containers shall be removed from the curbside promptly. Do not park in front of trash containers or otherwise block access to your trash on trash day.
- Waste that does not comply will not be picked up until it is brought into compliance with these regulations.
- **Any trash or construction debris generated by a contractor is the responsibility of the contractor and homeowner. The Township will not remove this waste, even if it is placed curbside. Residents should insist that the contractor use a dumpster and private waste hauler for construction waste.**

Trash Collection Schedule

Monday: Thorofare, Sherwood, Margaux, Mantua Grove, Rolling Brook, Pennfield, Forest Creek, Stone's Throw, Sherwood Estates, Village and Reserve at RiverWinds

Tuesday: Greenfields, Greenfield Heights, Mantua Terrace, Meravan Farms, Kings Grove, St. Regis Walk, Kings Highway, Eagle View Estates, Park West, Paradise Estates

Wednesday: Commercial, Country Creek, Country Creek West

Thursday: Red Bank, Verga, Colonial Manor, Woodlane, Pelican Place

Friday: Oakview, Red Bank Estates, Harker Village, Willow Woods and White Swan Mobile Home Parks, The Grande

Gloucester County 2016 Household Special Waste Collections

Rain or Shine 8:00 AM - 2:00 PM

September 24 at the GCSWC • 493 Monroeville Road, South Harrison

October 17 at the GCRD • 1200 North Delsea Drive, Clayton

Branches / Brush / Yard Debris

- Branches should be placed in a neat pile at the curb and Public Works notified at **856-845-4004, ext. 138**. Residents should make every attempt to give the Township advance notice and try to limit the number of special pick-ups required, particularly in the spring when there is a large demand for special pick-ups. Any trees or trimmings generated by a contractor are the responsibility of the contractor.
- Do not place large piles of brush, wood, or concrete under overhead obstructions like wires and trees. Do not place materials next to fire hydrants, phone polls, or on top of service boxes (sewer clean outs) on the ground.

Leaf Collection

- Lawn signs will indicate when leaves will be collected in neighborhoods.
- In the Fall season, leaves will be picked up on a continuous basis from the first week of November through the last week of December. Posters will indicate when leaves will be collected in your neighborhood.
- In the Spring season, leaves will be collected during the month of April on an as-needed basis. May through October leaves must be put in clear or biodegradable bags, or put into a trash container. Please notify Public Works at **856-845-4004, ext. 138**.
- Leaves should be placed in the street at the curb line, away from parked cars. **Please keep all tree limbs and branches out of the piles so as not to damage leaf collection equipment.** Leave enough room in the gutter to allow storm water to reach the catch basins.

Snow Removal

- When snow is expected, please make every attempt to park vehicles in driveways or off the street. We thank you for these efforts which will aid in the prompt and efficient removal of snow from our streets.
- If at all possible, wait to shovel your driveway until the snow has been pushed back to the curb-line of your property by Township snowplows.
- **Do not snow blow or shovel snow into the street, as it creates hazardous road conditions.**

Special Pick-ups

- Furniture and appliances will be collected on the same day as household trash. **Any refuse or building material generated by a building contractor is the responsibility of the contractor for removal. No exceptions!**
- The Township will dispose of small amounts of concrete. Please call Public Works for instructions at **856-845-4004, ext. 138**.

Hazardous Household Waste

- The improper disposal of household hazardous wastes can cause problems for the entire community. Some wastes are toxic to humans or wildlife, while others can cause serious heart problems. **NEVER** dump hazardous chemicals down the drain or toilet, on the ground, down catch basins or storm drains where they could contaminate soil or be carried into local streams and sources of drinking water.
- Federal law allows only licensed hazardous waste haulers to handle hazardous waste. The Township will not pick up any hazardous or combustible waste. Any product which is labeled "warning, caution, poisonous, toxic, flammable, corrosive, reactive or explosive" is considered hazardous. This includes

household products containing toxic chemicals, ammunition, oil-based paint, pesticides, herbicides, turpentine, lighter fluid, photographic and pool chemicals, rat poisons, car batteries and other hazardous materials.

- Gloucester County sponsors six "Household Special Waste" Collection days each year. These items may be taken to the County for proper disposal at those times. For additional information, call the Gloucester County Improvement Authority Office of Recycling at **856-478-6045, ext. 14**
- Asbestos products are never to be disposed of with your household trash. For information regarding the disposal of asbestos related products, contact the Gloucester County Solid Waste Complex at **856-478-6045**.
- Please call the Public Works Recycle Office at **856-845-4004, ext. 141** if you have any questions regarding hazardous waste disposal.

Household Medication

- Keep medicine in original container. Mark out personal information on prescription bottles.
- Mix liquid medicine with undesirable substances like coffee grounds, cat litter or dirt. Dilute pills with water, then add coffee grounds, cat litter or dirt.
- Place bottles in an opaque container like a yogurt container, and secure the lid, or wrap in a dark colored plastic bag.
- Hide the container in the trash. **DO NOT** recycle. **DO NOT DISPOSE OF MEDICATION DOWN THE DRAIN OR TOILET.** Bring to Municipal Police Vestibule for disposal.

Paint Disposal

Latex paint must be allowed to dry, or the container filled with cat litter or sand to absorb all the paint. Another technique is to pour the latex-based paint into a paper box or bag filled with absorbent material like shredded newspaper to speed drying. When the paint is dry or totally absorbed, the container should be placed out with the trash for pick-up. Do not place large quantities of paint cans out for disposal.

Oil based paint is considered hazardous waste and must be disposed of at one of the Gloucester County Household Special Waste Collection Days. For more information, please visit their website at www.gcianj.com

Residential Guide to Zero-Sort Recycling

Cartons

Aluminum & metal cans

#1, #2 and #4, #5, #7 Plastic food & beverage containers (caps removed)

Phone books

Newspapers, magazines, brochures & inserts (no plastic bags, do not tie & bundle)

- Scrap metal
- Plastic bags
- Plastic lids & caps
- Plastic 6-pack holders
- Needles or syringes
- Plastic microwave trays
- Window panes, mirrors, ceramics & Pyrex dishware
- Plastics other than those listed
- Paint, pesticides, oil & cleansers
- Stickers or address label sheet waste
- Clothing or fabrics
- Styrofoam or paper to-go containers
- Organic material and food waste
- Electronic waste (batteries, cell phones, computers, etc.)

NO NEED TO REMOVE:

Paper clips, stamps, address labels, staples, metal fasteners, cellophane address windows, rubber bands, spiral bindings, plastic tabs

Glass bottles & jars

File folders, office paper

Loose metal jar lids & steel bottle caps

Paper towel rolls

Paperback books

Please flatten all cardboard boxes. Empty and rinse all containers.

Please follow these guidelines carefully.

Questions? Please contact:

Troy DePrince
Recycling Coordinator
856-845-4004 ext. 141

WEST DEPTFORD TOWNSHIP RECYCLING GUIDELINES

West Deptford Township has converted to Single Stream Recycling. This is a system which allows residents to mix all recyclable materials together in one or more containers. All cardboard must be recycled. Large cardboard boxes need to be broken down and placed next to your recycling can. **DO NOT USE CARDBOARD BOXES AS A TRASH CONTAINER.**

On trash day, place your recycling container and cardboard adjacent to your trash cans at the curblin, but not so close that the container is difficult to see or reach. The Township also collects other recyclable items such as leaves, asphalt, concrete and wood waste. Any questions regarding recycling practices should be directed to the Public Works Recycle Office at **856-845-4004 ext. 141. RECYCLING IS THE LAW!**

Used Motor Oil Recycling

Township residents may deposit small quantities of used motor oil, up to two gallons at one time, in the oil recycling holding tank located at the Public Works Garage on weekdays during the hours of 7:00 A.M. to 3:00 P.M. Call the Public Works Recycle Office at **856-845-4004, ext. 141** for further instructions.

Batteries

Boxes for used button batteries and rechargeable batteries are located at the Municipal Building, Public Works Garage and numerous stores which sell this type of battery. Please dispose of button batteries and rechargeable batteries in these special receptacles.

Household non-rechargeable batteries can go in regular trash, and we accept automotive and marine batteries in our drop off area.

Recycling Containers

Recycling containers are available **for \$10.00** at RiverWinds Community Center. An alternative to purchasing an additional container would be to use your own container on which you may place a Township recycling sticker. These stickers may be obtained at the RiverWinds Community Center.

If you move, please leave your container for the next resident.

ACCEPTED MATERIALS

ALUMINUM FOOD AND BEVERAGE CONTAINERS

Aluminum soda and beer cans, pet food cans, etc.

GLASS FOOD AND BEVERAGE CONTAINERS

• Flint (clear) • Amber (brown) • Emerald (green)

FERROUS CANS – Soup, coffee cans, etc.

PLASTIC CONTAINERS WITH THE SYMBOL #1, #2, #4, #5 and #7.

Milk jugs and water jugs, without caps (narrow neck containers)

Detergent, shampoo, bleach bottles, etc. without caps (narrow neck containers)

Please remove and discard lids. These containers need not be rinsed of food waste or stripped of any metal parts. It is not necessary to remove labels.

ACCEPTED MIXED RESIDENTIAL PAPER FIBERS

**NEWSPAPERS • MAGAZINES • CARDBOARD BOXES
MILK & JUICE CARTONS • PIZZA BOXES • CEREAL BOXES**

GRASSCYCLING

Grass clippings are a major part of New Jersey's municipal solid waste stream. In fact, grass clippings make up nearly a third of all summer waste handled by garbage haulers.

STEPS TO GRASSCYCLING

- Cut only the top 1/3 of the grass blade and leave the clippings right on the lawn
- Mow when the grass is dry to avoid tracking and clumping
- Keep your mower blade sharp
- No special equipment necessary. While mulching mowers are available and do a fantastic job, ANY conventional mower can grasscycle. Just remove the bag. In the case of a rear discharge mower, the exhaust chute must be shut off. Adapter kits or retro-fit kits are available for conventional mowers for about \$20.00.

MATERIALS NOT ACCEPTABLE

Aerosol cans, mirrors, window or auto glass, light bulbs, ceramics, any plastic containers with #3 or #6 on them or no number at all, oil or antifreeze containers, plastic bags, coat hangers, paint cans, containers which held hazardous chemicals, 5 gallon pails or any household items (such as toasters, cookware etc.), microwave trays, or hard cover books.

E-WASTE

The following electronic items must be recycled: televisions, computers, monitors, lap top computers, towers, cell phones.

When you purchase new electronic items, ask your retailer to recycle your old items. Please call Public Works Department to schedule a collection date.

*Please Don't Litter!
Please Recycle!*

*The library is...a source of knowledge, a source of entertainment,
a source of creativity, a place to have fun!*

West Deptford Free Public Library

You, your family and friends are invited to enter a world of knowledge, learning and fun. Come in and enjoy the friendly atmosphere, great collections, state of the art technology, unique services, displays and exhibits and an array of programs. To keep abreast of the many activities at the WDFPL look for "Check It Out" (the Library's newsletter), Facebook and the Library's Blogs which can be accessed from the Library's webpage www.westdeptford.lib.nj.us The Spring issue of "Check It Out!" is mailed to each West Deptford household.

The library is a member of LOGIN, a group of libraries in Gloucester, Cumberland and Salem Counties who share their resources through a computerized bibliographic database. Residents with West Deptford Library cards can go to and borrow materials from the 23 other libraries that are members of LOGIN.

friends of the West Deptford Free Public Library

Officers: Miriam Reichenbach, *President*; Dawn Errickson, *Vice President*; Judy Stalter, *Secretary*; Walter Pierson, *Treasurer*; Nancy Miller, *Membership Chairperson*

Special Event: Wednesday, December 7, 2016 • Lights of Love Tree Lighting at the WDFPL.

The West Deptford Free Public Library would not be what it is today without the help of dedicated volunteers who are members of the *friends* of the West Deptford Free Public Library. The *friends* support the library through various

activities. Their mission is to encourage maximum usage of the library's resources and services. The *friends* meet the third Wednesday of the month at 7:30 P.M. in the library.

West Deptford Historical Association

Co-Chairs: April Maska and Noreen Mikulski

The West Deptford Historical Association was founded in January 2001 with a mission to preserve and share the rich history of our West Deptford Township. In cooperation with the West Deptford Free Public Library, the Historical Association has dedicated itself to collecting and displaying the many historical facets of our great community and making it available to our community who understand and value the preservation of our deep past.

The Historical Association has had another successful year and is looking forward to sharing more of our collections with the residents of West Deptford. The "West Deptford Book" has also been very successful and we have sold dozens of copies. If you didn't get your copy yet, Barnes and Noble carries our book and there is always a few copies available for purchase at the West Deptford Library.

The Historical Association has many different displays about our Township that changes quarterly in the Library and we can always be found at West Deptford Day where we share artifacts to our visitors. Look for us...we will be glad to see you. Upcoming events that our residents can participate in is our annual "Scarecrows On Parade" on RiverWinds Drive during the month of October, our

Annual "Great Pumpkin Event" held in the library, Christmas Lights Bus Tour and visit with Father Christmas held toward the end of December from the Library and the "Holiday Wreath Display" on RiverWinds Drive during the month of December.

We look forward to hearing from residents who wish to share items and/or information about West Deptford's Past. We welcome all articles, artifacts, letters, pictures or anything else that you wish to share. All will be preserved for everyone to enjoy for years to come.

Meetings are bimonthly, the second Monday at 7:30 P.M. at the library. All are welcome and encouraged to come and share your treasured memories. For more information, please call the Library information desk at 845-5593, April Maska: 845-1205 or Noreen Mikulski: 848-0395

West Deptford Emergency Services

West Deptford Township takes great pride in the efficient services provided by our four volunteer fire companies. These volunteers provide around-the-clock, life saving emergency services, fire prevention lectures, and training. Funding is provided by independent fund drives and appropriations from the Township budget. Emergency medical services are provided by the Gloucester County Emergency Medical Services, who are dispatched from two stations located in the north and south sections of the Township.

The Bureau of Fire Prevention, located in the Township Municipal Building, offers smoke detectors, free of charge, to Township residents. For further information contact our Fire Official, John Austin at 856-845-4004 ext. 118 or email at austinj@westdeptford.com

WEST DEPTFORD TOWNSHIP PARKS & RECREATION

West Deptford Township is proud to offer one of the finest recreation programs in the area.

West Deptford Summer Recreation Program

The Township's 5-week Summer Recreation Program offers Township youth ages 6-14 sports clinics, arts and crafts instruction, and educational day trips, as well as bowling and movie theater outings.

Safety Town

In conjunction with the Summer Recreation Program, "Safety Town," a safety and accident prevention and awareness program, is offered to Township children entering Kindergarten in West Deptford Township. Website: www.WDSafetyTown.com Email: WDSafetyTown@gmail.com

Miss West Deptford Scholarship Pageant

Applications for the Miss West Deptford Scholarship Pageant are available each year after June 1. Deadline for entries is July 1. The pageant is held each year in August when Tiny Miss, Little Miss, Miss Teen and Miss West Deptford are chosen. Applications can be downloaded from the pageant website: www.misswestdeptford.com

West Deptford Park will be closed on the following holidays:

New Years Day • Easter • Thanksgiving • Christmas

2017 application deadline for use of athletic field facilities is March 2nd.

WEST DEPTFORD TOWNSHIP POLICE DEPARTMENT

West Deptford Police Department

The men and women of the West Deptford Police Department are committed to providing the highest level of police services to our community. We continue to focus our departmental resources on providing a safe and secure environment for residents and our business community. Our mission at the police department is to provide high quality police services by promoting a safe environment through police and citizen interaction, with an emphasis on integrity, fairness and professionalism.

At the police department, we recognize that one of our most valuable investments we can make is in our children. It is for this reason that we continue to work closely with our schools. By assigning a school resource officer to the school system, we can attempt to identify at-risk children. We will continue to provide seminars and classes for students and parents concerning "Internet Safety" as well as "Drug Awareness." By doing this, we are investing in the future of our community and providing a safe learning environment for our children.

The West Deptford Police Department continues to maintain specialized units such as Detective, K-9, Bike Patrol, Traffic Safety and Community Policing. Our K-9 Unit has been in operation since 2006 and currently maintains a compliment of three K-9 teams trained in Patrol and Narcotics Detection. The Bike Unit consists of fifteen officers who have been trained in negotiating police operations on the Patrol Bikes. The Bike Unit is deployed at Community Events and in the residential areas of the township during the evenings of Spring, Summer and Fall. The Traffic Safety Unit addresses traffic safety concerns throughout the township, assists residents with traffic complaints, and conducts child safety seat inspections and installations. Our Community Policing Unit focuses on citizen/police interaction with an emphasis on Neighborhood Watch. The Community Policing officers are often asked to present to public groups regarding topics such as Internet Safety, ID Theft, and Home Security.

Our Neighborhood Watch Program continues to grow throughout the township. We have most neighborhoods in the township participating at this time, but still strive to build and improve the program. We encourage all residents to become involved in the program. If you are interested in obtaining information about Neighborhood Watch or wish to participate in the program, please feel free to contact Ptlm. David Jiles at djiles@westdeptfordpd.com.

The members of the police department will continue to review and evaluate our current and future public safety concerns that may affect both residents and businesses. The police department will continue to explore all avenues of federal and state funding to bring the best and most innovative police services to the taxpayers of West Deptford.

We welcome any suggestions and/or concerns from the community regarding any public safety issue, and encourage you to call Chief Samuel DiSimone at the West Deptford Police Department, 856-853-4599 ext. 157.

West Deptford L.E.A.D. Program

The West Deptford Police Department proudly supports the L.E.A.D (Law Enforcement Against Drugs) program by teaching the Core Curriculum to the 5th grade students at the West Deptford Middle School. L.E.A.D. is now the primary administrator of the "Too Good for Drugs and Violence" curricula in the state of New Jersey. In this program, children learn about the dangers associated with the abuse of drugs and alcohol. They also speak with officers about topics such as bullying, conflict resolution, self-esteem, and peer pressure. The ten-week program concludes with a graduation ceremony and a party for all of the participants. The L.E.A.D. officers attend the party and interact with the students for an afternoon of fun and bowling.

Visitations from L.E.A.D. officers are also scheduled throughout the year in our elementary schools. In this setting, officers speak with the younger children about topics such as "Stranger Danger" and how to call "911".

Cpl. Craig, Cpl. Henry, SRO D. Jiles, our supervising L.E.A.D. officer, Inv. Pallies, Inv. Scirrotto, Inv. Weber Ptl. McGinniss,, Ptlm. Greco, Ptlm. Teti, Ptlm A. Jiles, and Ptlm. Carroll are the certified officers that will continue to teach this program in the West Deptford School System.

The L.E.A.D. program continues to honor one of the original officers that worked in our classrooms, the late Det. Sgt. George Farrell, by hosting the annual DSG. George Farrell Fun Run and Walk at West Deptford Fun Day. The race is a 5k run/walk held on the morning of the fun day. Prizes are awarded in all categories. All proceeds go toward the West Deptford L.E.A.D. program. Anyone wishing to participate in the event or receive an application for the run/walk can contact Chief Samuel DiSimone at (856) 845-4599 ext. 157.

Municipal Alliance of West Deptford

West Deptford Municipal Alliance is part of the Governor's Council on Alcoholism and Drug Abuse in the state of New Jersey and was established in 1989. The programs are coordinated through the Gloucester County Offices of Alcoholism and Drug Abuse. The program is made up of volunteers from our community and also includes members from the West Deptford School system and the West Deptford Police Department. The Alliance coordinates programs that promote education on how to prevent drug and alcohol abuse in our community by offering a variety of activities and educational sources.

The Alliance supports many programs and activities throughout the year to keep the community aware of the dangers of drug and alcohol abuse, identifying and suggesting different alternatives to drug and alcohol use. Just a few of the programs that the Alliance supports are L.E.A.D., Project Graduation activities, Assemblies for Middle School students, National Night Out and Red Ribbon Week. The alliance also sponsors events for the senior citizens in West Deptford. Recently, we have joined with Riverwinds Community Center and offered drug interaction information at special events that have been designed for the members.

We would welcome all new and fresh ideas that can enhance our programs. If you are interested in participating, please contact John Chambers at jchambers@westdeptfordpd.com.

National Night Out

For the past several years, the West Deptford Police Department has been very active with the Annual National Night Out program. The event has traditionally taken place on the first Tuesday of August. The Municipal Alliance has partnered with the Police Department to have an event for the community that has been very informative. Different programs are highlighted throughout the evening (Neighborhood Watch, Bicycle Safety Program and the K-9 Unit) The Gloucester County Prosecutors Office, Gloucester Sheriff's Department, Gloucester County K-9 Association and SWAT have participated in recent years.

The Municipal Alliance has sponsored entertainment for the children while the Police Department has informational displays and literature for all of the community programs that are in place for the residents. The K-9 unit, Traffic Unit and Bike Patrol Unit have had live demonstrations on how each of their units operate. Patrol Officers and Detectives are available to speak with residents and answer questions, giving the community the opportunity to interact with the Police Department in a positive manner.
