**PROGRAM APPLICATION NARRATIVE**

**SUBGRANTEE:** West Deptford Township

**GRANT NUMBER:** P-6774-16

**PROJECT DURATION:** 3/18/16 to 3/17/17

Total Number of Sworn Law Enforcement Officers: 41

Number of Officers funded by the grant: 2

Number of Civilians funded by the grant: 0

**GOAL OF THE SAFE AND SECURE COMMUNITIES PROGRAM:**

The Safe and Secure Communities Program is designed to provide municipalities with funding for additional law enforcement personnel to address crime in a focused community-oriented manner.

**1. To what specific target areas and/or specific assignments will the Safe and Secure funded officers be assigned:**

Officer Veronica McGinniss is assigned to the Patrol Division of the West Deptford Twp Police Department. Her patrol duties include but are not limited to investigating and arresting subjects involved in narcotics, burglaries, robberies, thefts, crimes against persons, damage to property along with protecting and serving the citizens of West Deptford Township. Officer McGinniss remains a member of the D.A.R.E. program, Neighborhood Watch Program, and is involved with the Police Athletic League. Officer McGinniss is also involved in all community activities that are related to the West Deptford Police Department such as, National Night Out, Family Fun Day, Spooky Palooza, Junior Police Academy, Fill a Cruiser campaign (xmas toys), Food Drive, etc...

Officer David Jiles is a member of the Special Operations Division and is assigned as the School Resource Officer. His primary responsibility is to maintain the safety and security of Red Bank Elementary School, Oakview Elementary School, Greenfields Elementary School, West Deptford Middle School and the West Deptford High School. SRO Jiles rotates through the schools and maintains their security and continually improves the safety of the infrastructure and the safety of the children.

Officer Jiles continues to have an outstanding relationship with the school administration, teachers, and students. The students rely on him as a mentor and role model in our community. They have complete trust in SRO Jiles and commonly provide intelligence to him, which improves school safety and assists in deterring, preventing and solving crime. He continues to handle any law enforcement related activities within the school system.

SRO Jiles is a L.E.A.D's (formerly D.A.R.E.) instructor, which leads to further interactions with the students. The L.E.A.D's program is critical in establishing relationships with the students and teaching them the importance of drug and alcohol resistance. He is the liaison for the School Safety Patrol Program and Safety Town Programs which teach, educate children on general safety and encourages leadership. All of the aforementioned programs have a critical impact on the prevention of crime.

SRO Jiles, also, is involved with juvenile investigations. He will conduct complete and thorough

investigations, when there are juvenile suspects. He continues to be involved and provide support and resources to juvenile victims. When he is not involved in juvenile and SRO matters, he is involved in matters that increase the quality of life to our residents.

**2. List SPECIFIC problems and proposed strategies that the Safe and Secure Communities Grant funded officers will employ to reduce crime:**

One of our common problems in our community are car and house burglaries. We have found that it is common that the residents observe suspicious persons and activity but fail to call the police and are reluctant to get involved. To help increase the crime awareness and increase the assistance from the public, our department has established a Special Operations Division, which includes Community Policing. Since the establishment of our Special Operations Division, our department has become more involved with the community and more specifically, the Town Watch Program. Each neighborhood in our town has established a Town Watch Program.

Officer McGinniss and SRO Jiles are the two contact persons for our Neighborhood Watch program. They are both involved with our community through this program and frequently meet with the members and attend monthly meetings. On a daily basis, they interact with the program members and assist them in any way they can. They have given numerous crime prevention presentations to the Neighborhood Watch Program members such as reporting suspicious persons/activity, how to properly secure your house and vehicles, safety tips in regards to banking (credit cards/ATM etc.), phone scams, computer related crimes, gypsy related activities, safety tips around the holidays, environmental awareness, etc...

Another constant, is the police department's concern with juvenile drug use. Officer Jiles is assigned as our School Resource Officer and is an active member of our D.A.R.E. program, neighborhood watch program (see above), and all community activities. Officer Jiles has constant interaction with the students through his D.A.R.E. instruction and as the S.R.O. He also assists the counselors at the schools in identifying and targeting at-risk children within our district. Officer Jiles acts as a mentor to these children and attempts to provide direction children prior to their involvement in crime and drug use. Officer Jiles and the Special Operations Commander are in the process of developing a drug awareness program at the high school to educate and prevent future drug use and involvement in criminal activities.

  - b. L&PS may request changes in the scope of services of the Grantee to be performed hereunder. Such changes, which are mutually agreed upon by and between L&PS and the Grantee must be incorporated in written amendments to this grant.
  - c. If the Grantee is making program expenditures or providing grant services at a rate which, in the judgment of L&PS, will result in substantial failure to expend the grant amount or provide grant services, L&PS may so notify the Grantee. If, after consultation, the Grantee is unable to develop to the satisfaction of L&PS a plan to rectify its low level of program expenditures or grant services, L&PS may upon thirty (30) days notice to the Grantee, reduce the grant amount by a sum so that the revised grant amount fairly projects program expenditures over the grant period. This reduction shall take into account the Grantee's fixed costs and shall establish the committed level of services for each program element of grant services at the reduced grant amount. If such a determination is made by L&PS subsequent to the awarding of the grant and the funds have already been received by the Grantee, the reduced amount will be remitted to L&PS.
  - d. The Grantee agrees that should circumstances affecting the grant-funded project change it will immediately contact DCJ in writing and advise of such changes; and prior to (or not timely) expending any grant funds other than as contained on the approved budget, it will request and receive prior written approval from DCJ via a DCJ Grant Adjustment Request Form.

The Grantee agrees to add program income to funds committed to the program to further eligible program objectives. The use of program income must be shown on the detailed cost statements.

State Circular, Grant Agreements-Agency Contracts, 07-05-OMB, defines program income to include any interest earned of \$250 or more in a fiscal year on advances of grant funds.

16. **Licensing and Publishing:** The Grantee agrees that L&PS and DCJ reserve a royalty-free, non-exclusive and irrevocable license to reproduce, publish, or otherwise use, and authorize others to use: the copyright in any work developed from activities supported by this grant, and any rights of copyright to which a grantee purchases ownership with support. The Grantee assures that any publication by the Grantee shall include, on the title page, a standard disclaimer of responsibility by L&PS for any opinions or conclusions contained therein.
17. **Records Retention:** Unless otherwise directed by DCJ, State or Federal statute, all grant records shall be retained for a period of seven years. This period is extended until otherwise directed if there is any litigation, claim, negotiation, action, or audit in progress and/or audit finding involving grant records started before the end of the seven year period.
18. **Access to Records:** The Grantee agrees to give the New Jersey Attorney General, L&PS and DCJ through any authorized representative, access to and the right to examine all paper and electronic records, books, papers, and documents related to the grant including pertinent accounting records, books, documents, and papers as may be necessary to monitor and audit the Grantee's operations. L&PS reserves the right to have access to all work papers produced in connection with audits made by the Grantee or independent certified public accountants, registered municipal accountants or licensed public accountants hired by the Grantee to perform such audits.
19. **Grant Fund Availability:** Grantee recognizes and agrees that both the initial provision of funding and the continuation of such funding under this grant is expressly dependent upon the availability to L&PS of funds appropriated by the State Legislature from State and/or Federal revenue or such other funding sources as may be applicable. A failure of L&PS to make any payment under this grant or to observe and perform any condition on its part to be performed under the grant as a result of the failure of the Legislature to appropriate shall not in any manner constitute a breach of the agreement by L&PS or an event of default under the agreement and L&PS shall not be held liable for any breach of the agreement because of the absence of available funding appropriations. In addition, future funding shall not be anticipated from L&PS beyond the duration of the award period set forth in the grant agreement and in no event shall the grant agreement be construed as a commitment by L&PS to expend funds beyond the termination date set in the grant agreement.
20. **Subcontracts and Assignments:** The Grantee shall not subcontract any of the work or services covered by this grant, nor shall any interest be assigned or transferred except as may be provided for in this grant or with the express written approval of L&PS. No rights or obligations of the Grantee under this subgrant, in whole or part, may be assigned or subcontracted to another entity for any reason without the prior written approval of DCJ and L&PS. The Grantee may not transfer any rights or obligations under this grant pursuant to an acquisition, affiliation, consolidation, merger or other synergy with another entity.

21. **Advances of State Grants:** If applicable, the Grantee agrees that it will deposit advances of State grants in interest bearing accounts.
22. **Trust Account:** If the Grantee receives an advance of grant funds, the Grantee must establish a trust fund to deposit the funds. The trust fund may or may not be an interest-bearing account.
23. **Failure to Comply with Award Conditions:** If the Grantee materially fails to comply with the terms of an award, whether stated in a State or Federal statute or regulation, an assurance, general condition, special condition, in a State plan or application, a notice of award, or elsewhere, the Grantee agrees that L&PS may take one or more of the following actions, as appropriate in the circumstances:
  - a. Temporarily withhold cash payments pending correction of the deficiency by the Grantee or take more severe enforcement action.
  - b. Disallow all or part of the cost of the activity or action not in compliance.
  - c. Wholly or partly suspend or terminate the current award for the Grantee's program.
  - d. Withhold further awards for the program.
  - e. Request the balance of grant funds to be returned and/or seek reimbursement for funds expended that were not in compliance with the terms and conditions of the grant agreement.
  - f. Take other remedies that may be legally available.
24. **Grant Termination:** When the Grantee has failed to comply with grant award requirements, stipulations, standards, or conditions, the Grantee agrees that L&PS may suspend the grant and withhold further payments; prohibit the Grantee from incurring additional obligations of grant funds pending corrective action by the Grantee; or decide to terminate the grant in accordance with the below paragraph. L&PS shall allow all necessary and proper costs, which the Grantee could not reasonably avoid during the period of suspension, provided they meet State requirements.
25. **L&PS Termination of the Grant:** The Grantee agrees that L&PS may terminate the grant in whole or in part whenever it is determined that the Grantee has failed to comply with the conditions of the grant. L&PS shall notify the Grantee in writing of the determination and the reasons for the termination together with the effective date. Payments made to the Grantee or recoveries by L&PS under the grant terminated for cause shall be in accord with the legal right and liability of the parties.
26. **Mutual Termination of the Grant:** L&PS and the Grantee may terminate the grant in whole, or in part, when both parties agree that the continuation of the project would not produce beneficial results commensurate with the further expenditure of funds. The two parties shall agree upon the termination conditions, including the effective date and in case of partial terminations, the portion to be terminated. The Grantee shall not incur new obligations for the terminated portion after the effective date and shall cancel as many outstanding obligations as possible.

27. **Grant Termination for Convenience:** L&PS may terminate this grant for convenience, upon 60 days written advance notice to the Grantee, for any reason whatsoever, including lack of funding available to L&PS. Upon receipt of a notice of termination for convenience, the Grantee shall cease incurring additional obligations of grant funds. However, L&PS shall allow the Grantee to incur all necessary and proper costs which the Grantee cannot reasonably avoid during the termination process, as long as these costs comply with all program requirements.
28. **Grant Termination - Notification and Due Process:** If the grant award is terminated for the Grantee's failure to comply with Federal statutes, regulations, or terms and conditions of the grant, L&PS will provide notification to the Grantee, including information that the decision may be considered in evaluating future applications.

In taking an enforcement action, L&PS may provide the Grantee an opportunity for such hearing, appeal, or other administrative proceeding to which the Grantee is entitled under any statute or regulation applicable to the action involved.

**High Risk Grantees:** Grantee agrees that under certain instances it may be considered "High Risk":

- a. If L&PS determines that a Grantee:
  - i. Has a history of unsatisfactory performance.
  - ii. Has not filed its quarterly financial reports (Detailed Cost Statements) or Final Grant Narrative in a timely manner.
  - iii. Is not financially stable.
  - iv. Has a financial management system which does not appear adequate according to the General Conditions, or meet the standards expressed according to State Circular Letter, Standard Grant Agreement Form, VIII Financial Management System, 07-05-OMB.

  - vi. Is otherwise not responsible; and L&PS determines that an award will be made; special conditions and/or restrictions shall correspond to the high risk condition and shall be included in the award.
- b. If a Grantee is considered "High Risk," then L&PS may impose additional Special Conditions or restrictions on the Grantee at any time including:

  - vi. Establishing additional prior approvals.
  - vii. Wholly or partly suspending or terminate the current award for the Grantee's program.
  - viii. Withhold further and future awards for the program.
- c. If L&PS decides to impose such special conditions, L&PS will notify the Grantee as soon as possible, in writing, of:

- i. The nature of the special conditions/restrictions.
  - ii. The reason(s) for imposing the special conditions.
  - iii. The corrective actions that must be taken before the special conditions will be removed by the Department and the time allowed for completing the corrective actions.
  - iv. The method of requesting reconsideration of the conditions/restrictions imposed.
  
29. **Corruption of Public Resources Act:** The Grantee understands and agrees that, in compliance with the Corruption of Public Resources Act, N.J.S.A. 2C:27-12, it cannot knowingly misuse State grant funds for an unauthorized purpose, and violations under this act could result in a prison term of up to 20 years, and, under N.J.S.A. 2C:30-8, subject to a fine of up to \$500,000. The Grantee understands and agrees that misuse of award funds may result in a range of penalties, including suspension of current and future funds, suspension or debarment from State grants, recoupment of monies provided under an award and civil and/or criminal penalties, including under the New Jersey False Claims Act, N.J.S.A. 2A: 32C-3.
  
30. **Prohibition Against State Employee Status:** The Grantee understands and agrees that persons performing services in connection with a grant shall not be considered employees of the State of New Jersey for any purpose, including but not limited to, defense and indemnification for liability claims, workers' compensation or unemployment.
  
31. **Indemnification:** The Grantee agrees that it shall be solely responsible for and shall defend, keep, save, and hold the State of New Jersey harmless from all claims, loss, liability, expense, or damage resulting from all mental or physical injuries or disabilities, including death, to its employees or recipients of the Grantee's services or to any other persons, or from any damage to any property sustained in connection with the delivery of the Grantee's services that results from any acts or omissions, including negligence or malpractice, of any of its officers, directors, employees, agents, servants or independent contractors, or from the Grantee's failure to provide for the safety and protection of its employees, whether or not due to negligence, fault, or default of the Grantee. The Grantee's responsibility shall also include all legal fees and costs that may arise from these actions. The Grantee's liability under this agreement shall continue after the termination of this agreement with respect to any liability, loss, expense or damage resulting from acts occurring prior to termination.

## SPECIAL CONDITIONS

1. **Prohibited Use of Funds:** The Grantee certifies that all grant funds will be used exclusively to pay the base salary of police officers and other law enforcement personnel deployed in support of this grant program, N.J.A.C. 13:79-4.1. Grant funds cannot be used to make any overtime payments.
2. **Prohibition of Supplanting:** Funds received from the Safe and Secure Communities Grant Program may not be used to deliberately reduce other funds set aside for the same purpose.
3. **Compliance with Program Laws and Regulations:** Grantee will follow all applicable requirements and procedures as required by the Department of Law and Public Safety (L&PS), the Division of Criminal Justice (DCJ), the State of New Jersey Safe and Secure Communities Grant Program Administration and Funding Guidelines, and as outlined in the notification, award, and other letters sent to the Grantee. Grantee also agrees to follow all applicable requirements and procedures as required by the State of New Jersey Safe and Secure Communities Program statute N.J.S.A. 52:17B-159 et seq. and regulations N.J.A.C. 13:79-1.1 et seq.
4. **Baseline Regular Complement:** The Grantee agrees that its baseline regular complement of police officers (as of 12/31/1993 and as reported in the 1993 Uniform Crime Report) is based on its police department's number of regular, sworn, appointed municipal officers who have the full power to arrest and who regularly exercise police powers regarding the enforcement of the general criminal and motor vehicle laws of this State.
5. **Maintaining Full Complement of Officers:** The Safe and Secure Communities Program legislation, N.J.S.A. 52:17B-164a and regulation N.J.A.C. 13:79-4.1, requires as a condition of the grant award, that the Grantee shall agree that it shall not reduce its baseline regular complement of police officers and other law enforcement personnel (as of 12/31/1993 and as reported in the 1993 Uniform Crime Report) during any grant period. A reduction of complement of officers below full complement (those added with grant funds) will result in a proportionately reduced or total loss of grant award.
6. **Match Requirement:** The Grantee agrees to pay as matching costs all fringe benefits (retirement, social security, health and dental insurance, workers compensation, unemployment, disability and survivor's insurance), other related costs, and any project expenses in excess of the grant award. The Grantee will also agree to satisfy any State requirement on matching and cost sharing.
7. **Municipal Budget Cap:** In order to be exempt from the municipal budget cap, any monies provided by the municipality must be in the form of matching funds as specified by N.J.S.A. 40A:4-45.3 l. Therefore, the State award and the required fringe benefit match under the Safe and Secure Communities Program are outside the budget cap. However, any additional

dollars spent by the municipality in support of the project, including any overmatch, will fall under the Division of Local Government Services budget cap requirements.

8. **Time and Attendance Records:** Grantee must maintain a timekeeping system which provides, at a minimum, records for all personnel charged to the grant as follows: positions (filled with grant funds); rank/title; employee's name; date hired; annual salary; total daily hours worked, and the signatures of the employee and supervisor.
  
9. **Financial and Performance Reporting:** The Grantee agrees to file timely Detailed Cost Statements (DCS) and payment vouchers within fifteen (15) days after the end of each quarter. The Grantee also agrees to file a timely Final DCS and Final Grant Narrative Report within fifteen (15) days after the end date of the grant period. The Final Grant Narrative Report should describe accomplishments and activities that took place during the grant period. *The Grantee understands and agrees that failure to comply with these filing deadlines may result in a reduction or total loss of the Grantee's award. L&PS may, at its discretion, terminate this or any other Safe and Secure grant awards for delinquent reporting.*
  
10. **Availability of Grant Funds:** The Grantee understands that annual funding for the Safe and Secure Communities Program is uncertain and that funding for each year's grant depends on the continued collection of sufficient program revenue. The Grantee accepts this award on the condition that if sufficient funds are not available, the municipality may not receive its entire State award.
