Re: Well Number 5 Improvements
Bid Recommendation

Dear Mr. Barnes:

On Tuesday, May 2, 2017, one bid was received and opened for the above referenced project.

Below is the summary of the bid, and attached is the bid tabulation:

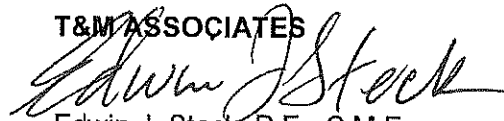

<u>CONTRACTOR</u>	<u>BASE BID AMOUNT</u>
Level 1	\$157,000.00

We are recommending that the bid be rejected since the bid exceeds our estimate of \$99,550.00 and the amount that the Township has budgeted for the project. We recommend that Township initiate contract negotiations with interested contractors consistent with the Local Public Contracts Law, since this has been the second attempt to obtain responsive bids that did not generate favorable results.

Should you have any questions or require additional information please do not hesitate to contact me.

Very truly yours,
