Re: Red Bank Court & Linda Lane Roadway Improvements
Bid Recommendation

Dear Lee Ann:

On Tuesday, June 16, 2020, four bids were received and opened for the above referenced project. Attached is the bid tabulation and below is a summary of the bid amounts;

<u>CONTRACTOR</u>	<u>BID AMOUNT</u>
American Asphalt Co., Inc	\$123,752.50
Landberg Construction, LLC	\$131,131.84
GWP Enterprises, LLC	\$137,682.50
NJB Contractors, LLC	\$138,821.00

American Asphalt Company, Inc. submitted a complete and responsive bid that contained all the required documents. The bid was accompanied with a bid bond and consent of surety from Fidelity and Deposit Company of Maryland, a NJ licensed Surety. The bid amount is within the Township's budget and within our estimate. American Asphalt has completed other projects with similar size and scope including ones in West Deptford, and we believe they are experienced and qualified to successfully complete this project.

It is our recommendation that this contract for the resurfacing of Red Bank Court and Linda Lane be awarded to American Asphalt Company in the amount of \$123,752.50, subject to the review of the Township Solicitor and availability of funds.

Should you have any questions or require additional information please do not hesitate to contact me.

Very truly yours,

T&M ASSOCIATES
