In an abundance of caution, and in the best interest of our members and employees, RiverWinds Community Center will close at 12 Noon today (March 13, 2020) and remain closed through March 31st.

This closure includes all activities, rentals, existing facility use applications, and any/all West Deptford Township fields (including the West Deptford Player Development Building). Staff members will be in touch regarding any rentals that were to occur during the period from March 13- March 31.

We have been in contact with and will continue communication with county, state, and federal officials. As we have any new information, we will continue to post it to the West Deptford Township and RiverWinds Community Center websites and social media platforms.

Thank you for your cooperation, please refer to [cdc.gov](https://www.cdc.gov) for continuing tips to stay healthy.
